Green Valley School Historical Society

The Green Valley School, now a community center, has a rich past, dating back to 1919 when it served as a schoolhouse for local children. Over the decades, it became a cherished gathering place, but after its closure in 1949, the building began to decay slowly. In 2008, the members of **Vietnam Veterans Chapter 920** stepped in, dedicating over 15,000 volunteer hours to restore it. By 2013, it opened its doors as a modern community center under the care of the **Green Valley School Historical Society**.

Fast forward to 2026, we are facing a new challenge. Significant repairs are needed, including replacing rotting siding and updating the aging facilities. Many of the Vietnam Veterans who worked on the original restoration are deceased and the remainder are no longer physically able to help due to advance age. We urgently need your support. Every donation will help cover the current repairs and ensure the center remains a vibrant part of our community for generations to come. Your contribution is tax-deductible, and together, we can continue this legacy.

Thank you for your support!
